

# Vision

A successful and sustainable real estate investment trust with a portfolio of quality, income-producing retail properties that are well-managed.

# Mission

To deliver regular and stable distributions to our Unitholders; creating value by enhancing our properties through asset management strategies and expanding our portfolio through yield-accretive acquisitions, while working to contribute to the communities we operate in.

BHG Retail REIT’s current portfolio of five community-focused retail properties, strategically located in vicinities with strong surrounding catchment, is well-positioned to benefit from China’s economic transformation driven by urbanisation and consumption.
